► The Event

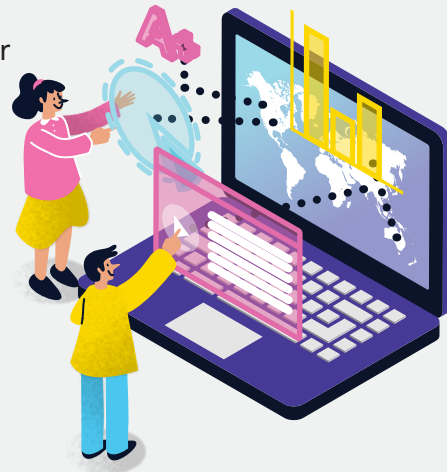

Didac India stands out as the largest exhibition and conference in Asia, and exclusive in India, that unites the entire education and skill community. It brings together educators, educational leaders, government stakeholders, manufacturers, suppliers, distributors, and solution providers from the education and skills industry onto a unified platform, fostering synergies for the continuous advancement of this vital and expanding sector. The event is a grand global showcase of futuristic solutions, addressing the increasing demand for diverse resources essential for the ongoing enhancement of education and skills sector.

Didac India, extending over three days, is a vital convergence point for key participants in the education and skills sector. Regarded as a must - attend for the entire community, it provides an exclusive platform to present cutting-edge resources and solutions to the appropriate audience. This event encourages direct interactions, promoting ongoing enhancements in teaching and learning. Didac India is a sole marketing platform that enables both Indian and international companies to establish and expand their businesses in the Asian education and skills market.

► Why DIDAC INDIA?
