Grand Opening

The grand inauguration of DIDAC INDIA 2024 was marked by the presence of several eminent dignitaries, symbolising the event's significance on both national and international stages.

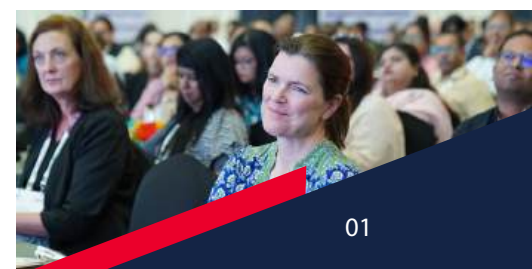

Prominent Dignitaries in Attendance *(in no specific order)*:

- Sri Sri Ravi Shankar - Founder, Art of Living Foundation and Lifetime President, Sri Sri Group of Schools & Universities
- Mr. Ahmed Shafeeu - Minister of State for Higher Education, Labour, and Skills Development, Government of the Republic of Maldives
- Mr. Roland Bleinroth - President, Messe Stuttgart Germany
- Mr. Dominic Savage - Forum Director, ASES & Education World Forum
- Mr. Gavin Dykes - Programme Director, ASES & Education World Forum
- Prof. Anil Sahasrabudhe - Chairman, National Educational Technology Forum (NETF)
- Dr. Norbert Völker - CEO, Didacta Association
- Mr. Reinhard Koslitz - Consultant, Didacta International – Germany
- Mr. Aditya Gupta - CEO, India Didactics Association

Other Distinguished Guests: The event was further graced by ministers and officials from:

- Hon Jacinta Allan MP, State Government of Victoria, Australia
- Dr Lawan Yunusa Danzomo, Government of Jigawa State, Nigeria
- H.E. Dr. Im Koch, Government of the Kingdom of Cambodia
- Ms. Maryam Khamis Rashid Al-Tarshi, Government of the Sultanate of Oman
- Datuk Dr. Habibah binti Abdul Rahim, SEAMEO

The presence of International and Indian Ministers and Dignitaries emphasised the global interest in India's education sector and the opportunities for cross-border collaborations.

Event Highlights

DIDAC INDIA 2024 emerged as a resounding success, uniting a diverse spectrum of global education stakeholders, industry leaders, sponsors, speakers, exhibitors, and international participants under one roof. The event stood as a beacon of innovation, fostering dialogues aimed at transforming education systems worldwide.

◆◆ 300 Exhibitors from 16 Countries:

- Showcased over 5,000 state-of-the-art products and solutions, ranging from educational technology, learning management systems, virtual reality tools, advanced laboratory equipment, and much more.
- Innovations aimed at revolutionising teaching and learning methodologies, focusing on interactive learning, personalised education, and skill enhancement.
- Elevating the Indian education and skills ecosystem to international standards, promoting the integration of global best practices.

◆◆ Comprehensive Platform:

- Facilitated cross-sector engagement among educators, policymakers, industry experts, and technology providers.
- Delivered a dynamic blend of exhibition, conferences, workshops, and networking events, creating an all-encompassing experience.

◆◆ Visitor Participation:

- 22,116 visitors, including prominent educators, ministry officials, industry leaders, trade visitors, and education professionals.
- Attendees represented national and international governments, educational institutions, and industries from 41 countries, solidifying the event's global reach.

Event Highlights

◆◆ Concurrent Activities:

- **Over 40 Interactive Workshops**, providing hands-on experience with emerging educational tools and methodologies.
- **25+ enriching conference sessions** over three days, featuring keynote speeches, panel discussions, fireside chats, and expert talks that sparked thought-provoking discussions on current challenges and future directions.
- **IDA Round Table Meetings**, where sector-specific issues were deliberated upon by thought leaders.
- **DIDAC Talks Podcast**, capturing insights by leaders and innovators from education and industry.
- **IDA Education Awards**, recognising excellence and innovation across education institutes in India.
- **IDA Meet & Greet Networking Events**, fostering connections among invited delegates.
- **Business Matchmaking**, facilitating partnerships and collaborations.
- **DIDAC Masterclasses**, offering deep dives into specialised topics.
- And, Much More...

The event truly embodied its motto of **#UnitingForEducation**, fostering meaningful partnerships & collaborations, unveiling groundbreaking innovations, driving implementation and business opportunities

DIDAC India 2024 - Delhi, India followed the KizZania Doha Conference.

A truly wonderful event at the new Yashobhoomi Convention & Expo Centre. Amazing speakers, great content, the warmest of welcomes, and brilliant organization. Thank you Anshya Gupta and colleagues! DIDAC India is the largest such conference in India, and aims to be much more than that. It will be!

It was also a wonderful opportunity to meet friends and colleagues, old and new. Thank you for dinner and your company, Anvit Gupta, Ritu Malhotra, and Charu Modi. Thank you for inspiration, Divya Chitt and Satya Narayanan-Rand for illumination, Pinal Sanki. And thank you for testing all my senses at the same time, Delhi!

The LifeVitee Team recently attended DIDAC India, Asia's largest event for education and tech-based solutions across all levels of the Education and Skills Sector. The event brought together industry leaders, policymakers, academics, and professionals to showcase the latest trends in education.

Our team had insightful discussions on innovative educational practices, the role of technology in learning, and strategies to boost employability. We also shared how LifeVitee's AI-driven approach is transforming career guidance and skill development, making the youth more employable for the future.

The event was a great opportunity to connect with key stakeholders, exchange innovative ideas, and explore collaborations to shape the future of education in India.

All New Delhi! The most awaited event of the year!

Looking forward to share my thoughts and perspective at Asia's largest summit of educators at DIDAC India.

It's an incredible opportunity to connect, learn, unlearn & exchange ideas with leaders and visionaries in education from around the equator.

The venue: None other than "Yashobhoomi Convention Center" in Dwarka is India's largest convention space, boasting a humongous seating capacity of over 11,000 people in one go.

Stay tuned for more updates from this dynamic event! #

Education & Skills INTO OUR WORLD OF FLAGSHIP

David Linton · 100+ likes · 24 September · 48

Every now and then I get humbled and honoured simultaneously...

Attending the DIDAC India conference in Delhi this evening as a guest of the amazing Anshya Gupta and powerhouse Ashmita Nanda.

I attended drinks this evening and was meeting with the innovative Aussie EdTechs in town being supported by the Global Victoria and Investment NSW teams. As I'm about to move to another continent I notice a few people hovering out the corner of my eye, and it turns out that Henning Jahn the MP from the local electorate wanted to meet me!

Which leads to a fantastic conversation about the opportunity that EdTech provides to level the playing field for learners wherever they are and whatever their social status.

A true honour to lead EdGrowth Australia's EdTech Hub... #TakingAusTechGlobal

Got to take the MP and the Chair of the local school district over to Victorian EdTech companies at drinks.

Visit of DIDAC 2024 - New Delhi!!

Newer Stop Learning, Because Life Never Stops Teaching!! As a true academican I always look for innovative tools, new ideas and resources so that learning experience of our students at KJIT Savli can be improved. Visited DIDAC 2024 at National Capital - New Delhi and sure will bring some new technology for improving teaching learning experience at our campus. V - R and AI are the next in things at KJIT Savli, Vadodra.

Met people connected with education from Kathiun to Kanyakumari and from Ahmedabad to Astam. Continuous and lifelong learning - it always helps.

Concurrent Events

@

TIESS served as the intellectual core of the event, where influential leaders, policymakers, educators, and stakeholders converged to deliberate on pressing issues and envision the future of education.

Summit Highlights

2,000+

Delegates from India and around the world

300+

Speakers sharing expertise on various topics

25+

Conference Sessions covering a wide spectrum of themes

Concurrent Events

Prominent Delegates

- Education Ministers and high-ranking officials from 8 countries and 7 Indian states.
- Policy Experts providing insights into effective governance and policy implementation.
- Academia Leaders including vice-chancellors, principals, and deans sharing best practices.
- Industry Leaders discussing the role of private sector partnerships in education.

Key Discussion Areas

◆◆ Educational Policy Reforms

- Discussions on how governments can support innovative educational practices.

◆◆ Technological Integration

- Exploring the role of AI, machine learning, and data analytics in education.

◆◆ Skills Development

- Strategies for aligning education with industry needs and future job markets.

◆◆ Inclusive Education

- Ensuring access and equity in education for all segments of society.

◆◆ Sustainability in Education

- Incorporating environmental awareness and sustainable practices into curricula.

Summit Outcomes

Collaborative Agreements

Several MOUs were signed between institutions for joint programmes and research

Policy Recommendations

Consolidated insights were proposed to guide future educational policies

Networking Opportunities

Delegates connected with peers, fostering a global community committed to educational excellence

Held concurrently with DIDAC India, Didac Academy workshops were thoughtfully crafted to empower and inspire educators, offering innovative and forward-thinking approaches to teaching and learning.

Objective

- **Empower Educators:** Providing tools and knowledge to improve teaching practices.
- **Promote Innovation:** Encouraging the adoption of new methodologies.
- **Networking:** Opportunities to connect with peers and share experiences.

Highlights

- **40+ Sessions** covering a variety of topics.
- **Expert Facilitators:** National and international trainers and educators.
- **Interactive Format:** Hands-on activities, group discussions, and practical exercises.
- **Certification:** Participants received CPD certification, supporting their professional growth and development.

Sector-Specific Discussions

- Government
- Higher Education
- K-12 Education
- Early Learning

Format

- **Closed-Door Sessions:** Ensured confidentiality & candid deliberations among participants.
- **Participants:** Limited to invited key stakeholders, including educators, administrators, and policymakers.

Focus Areas

- Addressing sector-specific challenges through targeted discussions.
- Brainstorming innovative solutions to drive meaningful change.
- Sharing success stories and best practices to inspire progress.

Outcomes

- Formulation of actionable strategies to address identified challenges.
- Creation of a comprehensive report to serve as a roadmap for future initiatives and sector advancements.

IDA Education Awards

The IDA Education Awards honor and celebrate excellence and innovation within the education sector. The award ceremony took place on the evening of Day 1 of Didac India, running concurrently with the event.

IDA Education Awards

The IDA Education Awards aim to set benchmarks of excellence in the education sector, encompassing a diverse range of institutions, including schools, colleges, universities, and skill development organisations. These awards recognise institutions dedicated to advancing education and skill development at various levels.

These awards honor and celebrate the exceptional contributions of institutions committed to advancing education and skills development. By recognising the most innovative and groundbreaking initiatives, the awards aim to set exemplary standards for the establishment and operation of educational institutions nationwide.

An innovative addition to the event, the DIDAC Talks Podcast series captured the essence of the diverse and unique perspectives on the evolving education landscape.

Concise Video Talks by experts, each offering unique perspectives.

A few of the **topics covered**, included:

- Emerging trends in educational technology
- Leadership in education
- Innovations in curriculum design
- Success stories from educational institutions
- And, many more.

Impact

- **Knowledge Sharing:** Extended the reach of valuable insights beyond the event attendees.
- **Continuous Learning:** Provided a resource for educators to access cutting-edge information anytime, anywhere.
- **Community Engagement:** Encouraged dialogue and discussions through social media platforms, strengthening connections within the education community.

IDA Meet & Greet

The IDA Meet & Greet Events brought together educators, industry professionals, and policymakers for cross-sector engagement and fostering connections.

This unique gathering promoted a strong sense of community and empowered stakeholders to explore new opportunities for collaboration, forge impactful business partnerships, and stay updated on the latest industry trends.

These meets highlighted the power of collaboration in shaping the **future of education**.

By providing a platform for open and transparent discussions, the event created an environment conducive to the exchange of ideas and insights.

Participants had the opportunity to connect, share experiences, and identify potential partnerships that could drive transformative change in the education sector.

MSME Pavilion

Supported by

The participation provided several key benefits to the Micro & Small scale companies, including:

- **Support for Small Enterprises:** Encouraging growth and opportunities for smaller businesses.
- **Promotion of 'Make in India':** Strengthening the initiative by showcasing locally made products and solutions.
- **Business Growth:** Expanding networks and creating new avenues for development and partnerships.
- **Subsidised Participation:** Reduced costs enabled wider participation.
- **International Interest:** Attracting global attention and fostering opportunities for international collaboration.

Synopsis

Over the years, DIDAC INDIA has established itself as a premier event in the Asian education and skills sector, acting as a catalyst for change. It unites key players from around the world to collaborate, exchange ideas, and drive innovation.

Key Attributes

- **Global Platform:** A meeting point for international and domestic participants.
- **Comprehensive Coverage:** Addresses all facets of education, from early learning to higher education and skills development.
- **Thought Leadership:** Brings together leading experts who share valuable insights and strategies.
- **Innovation Hub:** Showcases the latest products and solutions transforming education.
- **Networking Opportunities:** Facilitates connections that foster collaborations and partnerships.
- **Professional Development:** Offers workshops and sessions that enhance skills and knowledge.

DIDAC INDIA continues to serve as a dynamic platform for educational advancement, fostering growth, and pushing the boundaries of innovation in the sector.

Journey Ahead

Journey Ahead

With an unwavering dedication to advancing education and skills development, DIDAC INDIA is poised to be an even bigger and stronger event in 2025.

- **Expanding Offerings:** Introducing a broader range of innovative products and solutions to meet evolving educational needs.
- **Enhancing Global Reach:** Attracting participants from new regions and countries, expanding its international presence.
- **Deepening Impact:** Focusing on measurable outcomes and real-world applications that drive tangible improvements in education.
- **Strengthening Collaborations:** Building stronger ties with governments, institutions, and industry partners to foster greater synergy and collective growth.
